

GRASS PRO RUBBER MATS

HEAVY DUTY

Grass Pro Heavy Duty Rubber Mats can be used on flat or contoured turf and is ideal for pathways, sloped, or high-traffic areas.

Ideal for any grassed environment where heavy use can cause degradation or where surface water and mud are problems.

Grass Pro provided extra traction for areas such as walking tracks and slopes, plus grass protection for gateways, sportsfields, public areas and other high traffic outdoor situations.

Simply peg down after connecting. Can be top-dressed and reseeded for grass retention.
